THE CHIEF

DARLINGTON HIGH SCHOOL DARLINGTON, INDIANA

PRESENTED BY THE
CLASS OF 1969

GROWING GREAT

In the manner of a tree, D.H.S. is growing greater everyday through nourishment as it is fed by its deep-set roots of parents, teachers, patrons, and students. Each root supports the whole growth. To quote from Alexander Pope:

'Tis education forms the common mind:
Just as the twig is bent the trees inclined.

Cultivation of the mind combined with stimulating physical activities and enthusiastic organizations are shaping wholesome, capable, and dependable youth.

We, as members of the 1969 Darlington Senior class, gratefully dedicate our CHIEF to Mr. Galen Smith. In his three years of teaching here, he helped immensely in raising the spirit of our school through the sports teams and thus was a factor in making DHS grow greater. To Mr. Smith we extend our most humble thanks.

SCHOOL LIFE

School life is "what's happening" at Darlington High School. Each event is a proof of the reason why DHS is truly growing greater, for greatness is shown by spirit, and this year we believe our progress clearly visible.

VARIETY SHOW

For the second year, the high school chorus presented a variety show as a money-making project to help pay for their various projects during the year. On November 1, 1968, they entertained the community with the products of "Hi Neighbor". Three acts--military, hillbilly, and minstrel--were followed by a final patriotic scene, all of which were very successful.

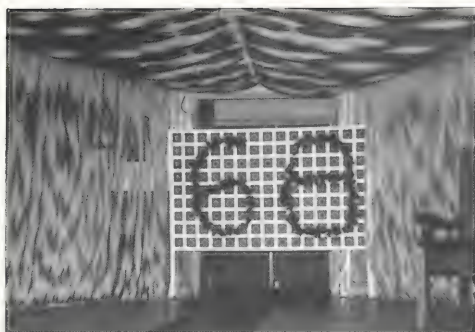

PARIS BY NIGHT

On Saturday, May 11, 1968, the Junior class presented their prom for the Seniors--PARIS BY NIGHT. Roses, soft lights, sidewalk cafes, and the Eiffel Tower were just high points of the sights and romantic atmosphere of the night.

The meal--from the baked ham prepared by the Juniors' mothers to the after dinner "champagne" and pretzels--were served by Freshmen dressed as French waiters and waitresses.

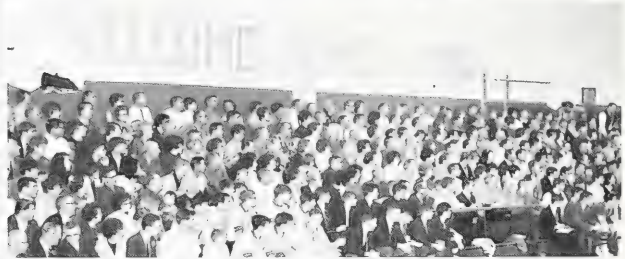

The evenings program began with the traditional welcome, response, prophecy, and Seniors wills, followed by the crowning of the King and Queen. Senior candidates and their Junior escorts were: Mike Mutterspaugh, Nancy Weltner; Ted Alexander, Jeanne Quigg; Kent Butler, Sue Gick; Mary Cohee, Chuck Anderson; Beverly Wilson, Fred Warren; and Diane Branstetter, Don Threlkeld. Diana and Ted were crowned by Mary Jo Cox and Steve Weliever and led the dancing provided by the Westwinds.

HOMECOMING 1969

This year the Student Council sponsored another great Homecoming on January 25 at the Coal Creek Central game. The events of the evening included introduction of varsity players and their parents; introduction of past lettermen and cheerleaders; and presentation of the queen candidates and crowning of the queen, Deborah Wilson. The candidates and their escorts were: Senior Deborah Wilson, Gerry Clouser; Junior Barb Vermillion, Bill Hampton; Sophomore Vicki Spears, Steve Apple; Freshman Gail Hampton, Charlie Warren. Deborah was crowned by Mary Cohee, escorted by Kent Butler. Flower and crown bearers were Greta and Greg Binford; and the Master of Ceremonies for the occasion was Paul Runnels. Following the varsity game was a dance with music provided by the Crawfordsville Dance Band under the direction of Mr. Kenneth Johns. The Student Council and their sponsors labored long hours on the plans and decorations appreciated by all.

The Student Council worked again this year to plan a great Homecoming, besides introducing teachers at Organization Day and at a PTO meeting among their many projects. Tom and Abe attended the summer workshop at IU and Stan was the delegate to the national convention in Texas this year. Most of the members attended the state convention and with new innovations learned there and elsewhere, they have all tried to help make DHS greater, too.

Scholarship, leadership, service, and Character again played a part in our school as the Honor Society helped sell tickets at Junior High ballgames and planned the yearly Awards Night.

The Darlington Sunshine Society truly contributes much to our school in making DHS great. Spreaders of Sunshine provide favors for the teachers at the beginning of each month. They also make cheer baskets for the shut-ins of our community during holidays. Peg and Cindy attended a leadership camp at Lafayette last summer. Jeanne and Sue along with their sponsor, Mrs. Ann Emery attended an Officers Training meeting at Indianapolis this fall. Some of the events attended by all Sunshiners this year were the formal initiation, cook-out at the Conservation Club, the District Convention at Pittsboro, The Christmas Ball--"My Special Angel"--"Mother's Tea, heart fund drive, Daddy Date Night, and to bid the senior girls good-bye, the May Breakfast.

FUTURE TEACHERS OF AMERICA

These students show an interest in their future by joining this organization. During a student's free period, he can aid other teachers in the school. This experience will greatly help in their own future teaching.

This year, the annual staff has been hard at work trying to make the CHIEF as great as the name Darlington deserves. Through all the confusion and problems of ads, subscriptions, layouts, and deadlines, we still believe that we have made the best annual yet.

The musically inclined students at Darlington have contributed greatly to the high school band under the direction of Mr. Ernest Brown. Throughout each year this organization participates in various activities such as parades, convocations, special concerts, and provide entertainment during intermission at the basketball games. The New Market Festival is the one last event in the school year that the band strives to reach their best in preparing for this event.

The High school choir has been very busy all year beginning with the Variety show--"Hi, Neighbor"--on November 1. During the holiday convocations, they sang selections. In January, many members formed ensembles or took individual songs to the state contest at Frankfort. Later in the spring, the concert choir went to the state concert at Lafayette Jeff. The highlight of the year--the annual New Market Festival--was on March 29. On the whole, the year was very successful and their talent was greatly appreciated.

JR.-HIGH CHOIR

For the past two years, the Junior High has been busy in the vocal department under the direction of Mrs. Smith, just as the upper four classes have been. Besides singing selections at convocations, they go to the state contest and appear at the Spring Festival here at DHS.

The Future Farmers of America includes those boys interested in one or more of the various aspects of farming and agriculture. This national organization is an asset to our school and community and also is a help in making the boys better citizens.

The FFA had two money-making projects this year. They sold flashing lights for slow-moving vehicles after dark, and again held the annual slave auction.

Several boys won awards in judging contests, Abe and Rick attended the national convention in Kansas City, and the chapter farmed here and helped to farm land near the site of the new school.

From foods to flowers, from corn to cattle--that's just a part of what 4-H is. Each member works and exhibits in various areas while striving to make our world a better place in which to live. With Sara Booher and Larry Peebles as leaders, Darlington 4-Hers won many awards and honors this year.

MISS MONTGOMERY COUNTY—1969

For the second year in a row, a Darlington girl represented our county in the Indiana State 4-H Queen Contest. On the basis of beauty, poise, personality, and community involvement, Deborah Wilson was chosen Miss Montgomery County. Congratulations!

By collecting attendance slips, answering the telephone, and assisting persons who come to the school among various duties, office workers contribute great help in making DHS run smoothly.

VARSITY

Under the direction of a new coach, Dave Nicholson, the Indians grew to even greater heights this year. Many records were set, including the length of time the keg has been continuously held by one school, number of points scored in a single county tourney game--107, the number of points scored in three games of the county tourney--288, and at one time the longest winning streak in the state--14. We again won the four-way and county tournies and were considered a favorite to win our sectional by an Indianapolis newspaper. We are quite sure they will return next year just as good. Keep up the good work, boys!

The pep club has been busy again this year supporting our winning basketball team. INTRAMURALS

Baseball, basketball, and track are but a few of the many sports that the girls in GAA engage in. These industrious members have a chance to exhibit their skills in each activity. Similar to the boys, they compete with other GAA teams.

Intramurals offers a wide variety of sports for the boys who participate in this organization. This group benefits from these activities because of their inability to participate in interscholastic sports.
